REMARKS

This communication is intended as a full and complete response to the Advisory Action mailed on February 2, 2007 and the final Office Action mailed November 17, 2006. In the final Office Action, the Examiner notes that Claims 42, 43, 46-48, 50, 51, 53, 54, 57, 60-64, 74 and 77-79 are pending of which claims 42, 43, 46-48, 50, 51, 53, 54, 57, 60-64 and 74 are allowed and claims 77-79 are rejected. By this response, Applicants have cancelled claims 77-79.

In view of the foregoing amendments and the following discussion, Applicants submit that none of the claims now pending in the application are obvious under the provisions of 35 U.S.C. §103. Thus, Applicants believe that all of these claims are now in allowable form.

It is to be understood that Applicants, by amending the claims, do not acquiesce to the Examiner's characterizations of the art of record or to Applicants' subject matter recited in the pending claims. Further, Applicants are not acquiescing to the Examiner's statements as to the applicability of the art of record to the pending claims by filing the instant responsive amendments.

REJECTIONS**35 U.S.C. §103****Claims 77-79**

The Examiner has rejected claims 77-79 under 35 U.S.C. §103(a) as being unpatentable over Arai (of record) in view of Wasilewski (of record) and further in view of Ryu (of record). In response the Applicants herein cancel claims 77-79 without prejudice. The rejection regarding claims 77-79 is now moot. The Applicants reserve the right to file one or more continuation applications to continue prosecution of the canceled claims.

ALLOWABLE SUBJECT MATTER

Applicants thank the Examiner for the allowance of claims 42, 43, 46-48, 50-51, 53-54, 57, 60-64, and 74.

CONCLUSION

Thus, Applicants submit that all remaining claims are in condition for allowance. Accordingly, both reconsideration of this application and its swift passage to issue are earnestly solicited.

If, however, the Examiner believes that there are any unresolved issues requiring adverse final action in any of the claims now pending in the application, it is requested that the Examiner telephone Eamon J. Wall or Jimmy Kim at (732) 530-9404 so that appropriate arrangements can be made for resolving such issues as expeditiously as possible.

Respectfully submitted,

Dated: 2/20/07
